### IMPORTANT GUIDELINES FOR USAGE - PLEASE READ

Vehicles parked in violation of the NCTC Campus Managed Traffic and Parking Regulations and/or the following guidelines may be subject to citation, impoundment, and/or towing:

- Visit [SAFETY.NCTC.EDU](http://SAFETY.NCTC.EDU) and click on "Parking" to view all NCTC Campus Managed Traffic and Parking Regulations.
- **Printable parking permit must be displayed face up on the front driver-side dashboard** and made entirely visible for permit number and barcode validation by Public Safety staff.
- **Printable parking permit must be displayed only in the vehicle whose license plate number has been associated with the permit in your NCTC Parking Portal.** Additional vehicle license plate numbers may be associated with the permit; however, only one associated vehicle may be parked at NCTC at a time. Any attempt to use a single permit for multiple vehicles at the same time will be considered for violation of "Parking without a Valid Permit" and may be subject to citation.
- **Please note the effective date and expiration date of your parking permit.** Vehicles displaying an invalid or expired permit may be subject citation for "Parking without a valid permit"; please contact the Department of Public Safety at 940-668-4270 if you need assistance with a permit.
- **WARNING: Parking permits are non-transferrable and may not be shared with or transferred to another person.** Vehicle operators displaying a permit not associated with the vehicle, sharing, copying, or displaying a counterfeit permit may be subject to citation.
